This month in events at Space Cowboy Books:

On September 3rd I hosted the release party for Pedro Iniguez's *Mexicans on the Moon*, the latest book from my imprint. It was excellent to hear the work in his voice and it's one hell of a book! You can view the video of the event at <https://youtu.be/I3BzuAR2MRg>

On September 9th I hosted the last Flash Science Fiction Night of the 2024 season. Featured readers were: Jenna Hanchey, Eric Fomely, and Marie Vibbert. Yet another night of great stories! You can view the video of the event at <https://youtu.be/eb1bc422auI>

On September 17th I hosted a release party for Tara Campbell's *City of Dancing Gargoyles*, a beautifully strange post-apocalyptic tale. You can view the video of the event at <https://youtu.be/zBRBsb2VkyY>

In Personal News:

September was another busy month. I spent most of the month pouring over proofs for various publication projects and didn't get to do very much reading for pleasure. However, there will be some more fantastic books on the way shortly. I was also interviewed for [SciFi Radio's](#) The Event Horizon about *Galaxy* and *Worlds of IF* (see the link in the publications section), and I did a reading at this year's [Flights of Foundry](#) online convention. And since the stage has been torn out at the bookstore I interviewed [Gabriel Hart](#) for the release of his new book *On High at Red Tide* at the Beatnik lounge to a full house.
